

Outcome Measure #1: The Number of Program Completers

- In the chart below, please indicate the number and percentage of program completers for the three most recent academic years. Note: the percentages of the last two columns must add up to 100% for each row (Copy and paste additional charts for each program if submitting multiple programs).

Calhoun Community College Child Development Program

Program name: _____

Academic Year	Number of program completers	% of program completers who were attending full-time (at the time of completion)	% of program completers who were attending part-time¹ (at the time of completion)
FA21, SP22, SU22	4	(1) 25%	(3) 75%
FA20, SP21, SU21	6	(0) 0%	(6) 100%
FA19, SP20, SU20	6	(2) 33%	(4) 67%

¹ Part-time status is defined by the institution.

Outcome Measure #2: The Program Completion Rate

- **What is the published timeframe for full-time candidates to complete the early childhood program(s) included in this Self-Study Report?** (Please indicate in terms of the number of academic years; e.g., five semesters would be 2.5 academic years.):

- In the following chart, please indicate **the percentage of full-time candidates completing the program within the program's published timeframe.**² **The program must complete the information for the 150% indicator and choose to report on either the 100%, 200%, or 300% indicator. The academic years selected must fall within eight years of the date this report is submitted. (Copy and paste additional charts for each program if submitting multiple programs).**

Example: A program with a published timeline of two years (four semesters at 15 credits a semester) to complete an A.A.S. in Early Childhood could select a Fall 2016 cohort on which to report. The 150% indicator indicates all members of the Fall 2016 cohort (full-time at the time of enrollment) who completed the program by Spring 2019. The 100% indicator only contains members of the Fall 2016 cohort who completed the program by Spring 2018. The 200% indicator contains all members of the Fall 2016 cohort who completed the program by Spring 2020, including those already counted in the 150% indicator. Lastly, the 300% indicator contains all members of the Fall 2016 cohort who completed the program by Spring 2022, including those already counted in the 150% indicator.

- **A program may (but is not required to) insert below a short narrative description (150 words maximum) of the data reflected in Outcome Measure #2 to provide context.**

² “The Commission defines the published time frame as the number of terms an individual candidate was actually enrolled in the program. The terms do not have to be consecutive, but the total number of terms must meet the program’s expected time frame for completion. University-approved withdrawals (e.g., leaves of absence for reasons of health, maternity/paternity, mission work, military assignment) do not count toward the number of terms a candidate was enrolled in the program. Candidates taking longer due to reasons other than institution-approved withdrawals (e.g., course repeats, remediation plans) cannot be considered as meeting completion expectations.” *Language adapted from the Council on Academic Accreditation for Audiology, Speech Language Pathology of the American Speech Language Hearing Association at <http://caa.asha.org/news/calculating-program-completion-rates/>.*

Outcome Measure #3: Institutional Selected Data

All programs are required to select at least one of the following outcome measures on which to report. (Institutions submitting multiple programs in a single Annual Report may select the same or a different measure for each program; a separate chart must be submitted for each program.)

- **A. The fall-to-fall retention rate in the program for each of the three most recently completed academic years**

Academic Year	% of Part-Time Candidates Enrolled in the Program (% of Total Enrollment)		Retention Rate among Part-Time Candidates	% of Full-Time Candidates Enrolled in the Program (% of Total Enrollment)		Retention Rate among Full-Time Candidates
FA19 - FA20	57	68%	12/57 21%	27	32%	3/27 11%
FA20- FA21	41	75%	15/41 37%	14	25%	3/14 21%
